Seagate Development Group and Theory Design proudly present the designer furnished Somerset Model Home in Silver Oak, an exclusive estate community. Offering over 5,700 square feet of living space, this professionally furnished residence features four bedrooms, a private den, four full baths, and two half baths. The Somerset's tailored modern classic architecture blends traditional elements with contemporary finishes, creating a welcoming setting for entertaining and everyday living. The interiors feature paneled accent walls, crown molding, and wide-plank light white oak flooring complemented by 10-inch baseboards and streamlined millwork. A combination of walnut, white oak, and linen-colored cabinetry adds warmth and character, while aged brass, matte black, and chrome accents provide contrast. Black-painted three-panel doors with chrome hardware complete the home's distinctive style. Designer-selected furnishings incorporate natural linens, rich velvets, and woven textures, creating comfortable, inviting living spaces. The spacious floor plan offers an easy flow between gathering areas, with careful attention to functionality, materials, and architectural detail throughout. Developed by Seagate Development Group, Silver Oak is a private enclave featuring just 10 estate homesites, each approximately 1.25 acres. With no homeowners association, residents enjoy greater flexibility to personalize their properties. Conveniently located in Naples, the community provides

access to Gulf beaches, upscale shopping, dining, and entertainment. Nearby private golf clubs include Olde Florida Golf Club and Calusa Pines Golf Club. Discover the Somerset Model Home at Silver Oak and experience the craftsmanship, thoughtful design, and spacious estate living that define this distinctive Naples community.
