If pickleball or tennis are your passion, you’ll find 20 pickleball courts and 26 hydro tennis courts. You can also relax poolside at Glencove’s heated, saltwater pool. Your home includes the largest floor plan available in Glencove and the front porch has been re-imagined and is now a Florida sun room or den enclosed with premium, weather resistant glass windows and doors, plus privacy features which quickly convert this 2 bedroom home to 3 bedrooms when guests arrive. The open floor plan and wonderful kitchen with quartz countertops, stainless steel appliances, and premium porcelain tile flooring with a plank design throughout make this the home you want to return to after enjoying the amenities offered within the community known around the world as Pelican Bay. A home warranty is included for the new owner. For easy access, there are no steps from the covered carport space 86 to the front door.
