Description

Oversized residential lot located in a growing area of Lehigh Acres, offering an excellent opportunity to build now or hold as a long-term investment. This property provides ample space for a custom home with flexibility in design and use, thanks to no HOA restrictions. Conveniently positioned with access to major roads, shopping, dining, and schools, while still maintaining a more private residential setting. Whether you’re a builder, investor, or future homeowner, this lot presents strong potential in an area experiencing steady development and demand.
