Description

Build your dream home in a convenient Port Charlotte location with city water and electricity nearby. This property offers a great opportunity to create the home that fits your lifestyle, with the added benefit of an adjacent lot also available for purchase if you would like extra privacy, additional yard space, or more flexibility for outbuildings. Enjoy being close to shopping, restaurants, medical facilities, parks, boat launches, and Gulf beaches, with the Port Charlotte Beach Complex less than 10 minutes away. Whether you are looking to build now or invest for the future, this lot offers plenty of potential in an area close to the amenities that matter most.
