Description

One or more photo(s) has been virtually staged, AI generated or rendered. Stunning and uncommon cathedral ceiling design in Clewiston, Florida. A beautifully built concrete home located in the desirable Montura Ranch community. This property offers 3 bedrooms, 3 full bathrooms,, with approximately 1,630 sq ft of living area. Sitting on a spacious 0.95-acre lot, it provides plenty of room for outdoor enjoyment, expansion, or simply enjoying the privacy that characterizes the area. What truly makes this home stand out is a rare feature in Montura that creates an open, elegant, and airy feel throughout the main living spaces, enhancing natural light and overall architectural appeal. The home features durable ceramic tile flooring throughout and an asphalt shingle roof, combining practicality with style. In addition, it includes an attached 2-car garage and a wide paved driveway offering ample parking. This property is ideal for buyers looking for a solid construction home with a unique and eye-catching design, generous land, and the peaceful lifestyle that Montura Ranch is known for. NO HOA.
