Description

Welcome to Spinnaker Point at Windstar on Naples Bay, where golf, waterfront, and refined coastal living converge. This beautifully updated coach home offers 1,832 square feet under air (2,243 total) with a desirable 3 bedroom 2 bath layout that lives like a private single-family residence. The third bedroom easily converts to an office/flex space. Soaring ceilings, crown molding and an open, light-filled floor plan create an effortless flow for everyday living and entertaining. The large custom kitchen island anchors the space, while expansive glass sliders frame sweeping golf course and tranquil lake views. A glass-enclosed, air-conditioned lanai extends the living area—ideal for lounging, working, or hosting against a serene backdrop. The primary suite is a private retreat with a custom walk-in closet and a spa-style bath featuring an oversized rain shower and floating double vanity. A spacious guest bedroom and full bath offer comfort and privacy. Additional features include a well-appointed laundry room with custom cabinetry, custom quartz countertops just off an attached garage with epoxy flooring and built-in utility sink. Thoughtfully renovated with high-end finishes and exceptional craftsmanship, this residence is truly move-in ready. Just steps from the pool, spa, and clubhouse, and moments from the private marina, Windstar offers Naples’ only gated golf community with a Tom Fazio-designed championship course, private beach access on Keewaydin Island via boat shuttle, and a 73-slip deep-water marina. Optional clubhouse membership includes dining, tennis,

bocce, and a new fitness center planned for 2026. Ideally located just 2 miles to 5th Avenue South, 3rd Street South, beaches, and the vibrant Bayshore Arts District.
