Description

End Unit With Harbor Views & Dock Access! Experience the tropical island waterfront lifestyle! This value-priced townhome offers shared dockage for your boat, and an unbeatable location just steps from the dockage, ferry landing, and club restaurant... because sometimes the outside is doing all the heavy lifting. Let’s be clear: the interior is authentically, unapologetically vintage. We’re talking original finishes, original fixtures, and décor. The kitchen and baths? Classic. The vibe? Beach Retro. The opportunity? Endless. But here’s the thing—this townhome is livable, functional, and ready for its next chapter. Whether you’re dreaming of a full renovation, a creative reimagining, or simply embracing the throwback charm (we won’t judge), this is your chance to start with a light-and-airy plan in an even better location. And what a location it is—end unit, harbor views, steps to dockage and kayak beach... and just a short distance to everything Safety Harbor Club has to offer. Enjoy access to a heated pool, tennis and pickleball courts, clubhouse dining, and private Gulf beach access where the sunsets are always in style (no renovation required). Bring your vision. Bring your contractor. Or bring your love for 1985. Either way, this is your chance to secure a waterfront foothold in an end unit at a price that leaves room for transformation. Don’t miss this unique before-and-after opportunity.
