Description

Community amenities include a beautifully appointed clubhouse, a state-of-the-art fitness center with free weights, heated resort-style pool and Jacuzzi with a large sundeck, a fully equipped business center, and so much more. If residents ever need a computer, printer, or just a work space, the fully-equipped business center has them all covered. All residents are welcomed to use the business center! The Enclave at College Pointe has a heated resort-style swimming pool and large sundeck is a popular community destination throughout the year. Residents can go for a quick swim, tan on the sundeck or just relax in the Jacuzzi.
