Description

Build your dream home on this spacious 0.5-acre residential lot located in the growing community of Lehigh Acres. This oversized parcel is already cleared, saving you time and money—no trees to remove, just bring your plans and start building. With ample space for a custom home, pool, and outdoor living area, you'll enjoy both privacy and flexibility. Don't miss your chance to secure a ready-to-build lot in one of Southwest Florida's fastest-growing areas!
