Description

One or more photo(s) has been virtually staged, AI generated or rendered. Rarely available 3-bedroom, 2-bath second-floor residence with a deeded, detached 1-car garage in the gated North Naples community of St. Croix. Immaculately maintained and move-in ready, this beautifully updated condo offers a desirable combination of space, comfort, and convenience, with numerous improvements already completed for the next owner. Three-bedroom residences and private garages are both uncommon offerings within the community, making this an exceptional opportunity for buyers seeking additional space and storage in a central Naples location. Inside, the residence features an inviting living area with tile flooring throughout the main living spaces and updated laminate flooring and baseboards in all three bedrooms. Fresh interior paint creates a clean, refreshed atmosphere, while the renovated bathrooms add a modern touch. The kitchen features updated appliances, with most having been replaced, offering added convenience for everyday living. Additional improvements include a brand-new water heater and an air conditioning system approximately four years old. Whether you're looking for a full-time residence, seasonal retreat, or low-maintenance Naples getaway, this thoughtfully maintained condo offers flexibility and the convenience of move-in-ready ownership. The deeded, detached one-car garage is an especially valuable feature, providing private covered parking and additional storage opportunities rarely found

among the community's available residences. St. Croix offers a resort-inspired lifestyle with gated entry, a community pool and spa, clubhouse, fitness center, tennis court, playground, and beautifully maintained common areas. Ideally situated in North Naples near Immokalee Road and Livingston Road, the community provides convenient access to Seed to Table, Mercato, shopping, dining, I-75, and the beautiful Gulf beaches. With its immaculate condition, extensive interior updates, desirable three-bedroom layout, and rarely available deeded garage, this residence presents an outstanding opportunity to enjoy the Naples lifestyle without the need for additional renovations.
