Description

Full bay views from the sixth floor of South Seas North, with no unit above. A-606 sits in one of only four bay-facing stacks, with a glimpse of the Gulf beyond. This 2 bedroom, 2 bath condo has been updated well beyond the community: a quartz kitchen with Bosch appliances and a pantry, updated baths with glass showers, new tile floors and a neutral coastal palette. New AC and water heater in 2023, plus an in-unit washer and dryer and a covered carport with storage locker. Offered fully turnkey and furnished. The building has new piping and freshly repaved grounds. Enjoy gated living with pools, tennis, boat docks and private beach access just across the street, minutes from dining and shopping. Monthly rentals allowed. Leased November 1 through April 30, so a buyer collects income this season and it could be yours in May, or keep it producing income as a rental. This one is special. Showings by appointment with notice.
