Description

Enjoy the space, privacy, and convenience of this turnkey furnished top-floor residence in Bermuda Lago, a gated community west of U.S. 41 in Bonita Springs. The desirable Nassau floor plan offers nearly 1,600 square feet, abundant natural light, and a detached one-car garage. The top-floor setting and vaulted ceilings create an airy, penthouse-like feel, while a common elevator provides convenient access to the third-floor residence. The open great room connects the living and dining areas, while a separate morning room off the kitchen offers a comfortable spot for casual dining, a home office, or a sitting area. The updated kitchen features modern cabinetry, quartz countertops, and a pantry. Matching cabinetry and quartz counters continue in both bathrooms. The split-bedroom floor plan places the primary suite and guest bedroom across from one another. The spacious primary suite includes an en suite bath and walk-in closet, while the guest bedroom is near the guest bathroom. A generously sized screened lanai provides room to lounge or dine outdoors, and an electric storm shutter adds convenience for seasonal owners. A newer air-conditioning system, approximately four years old, adds peace of mind. Residents enjoy a resort-style pool, landscaped grounds, and gated entry. Recent community improvements include newer roofs and exterior paint. Water and sewer are included in the association fees. Bermuda Lago is minutes from Barefoot Beach and Bonita Beach, as well as nearby shopping, dining, entertainment, and sits in an X500 flood zone.
