Description

Relaxed coastal elegance right on Park Shore Beach! This turnkey-furnished residence was renovated from top to bottom with wide plank wood floors and soft white electric shades throughout the spacious living room/dining room areas. Being a corner unit there are two balconies to enjoy dazzling gulf views, the shoreline and evening sun setting over the horizon. Attractively furnished by Clive Daniels Home in soft fabrics, textured accent walls and an entertainment area with a wide-screen TV and a cozy fireplace for cool evenings. The kitchen features a Monograms induction cooktop, double-door refrigerator and dishwasher with soft-close white cabinetry and countertops with attractive backsplashes. A powder room is in main entry foyer. The bedrooms have access to an open balcony with impact glass sliding doors where you can hear the surf sounds as you drift off to sleep. Both baths feature clean subtle coastal colors, and the primary bedroom has a walk-in closet. Surfsedge, appropriately named for its location right on the beach, has likewise been completely renovated. Your friends and family will enjoy the beach vibe here with freshness, starting in the lobby and following throughout with the amenities, pool, spa, grille area, fitness center overlooking the Gulf, guest suites, social room and beach chairs all easily accessible. Go to The Village on Venetian Bay and enjoy six waterfront restaurants, boutique shopping and fun events. Artis Naples is close by for world-class entertainment or just visit the Park Shore Beach Promenade and meet your neighbors.
