Description

Welcome to your dream home! This stunning FOUR-bedroom, FOUR FULL bath Mediterranean style home, built by Tudor Villas in 2014, is perfectly situated on a direct-access canal with no bridges, in the highly sought-after SW Cape Coral area. Offering an exceptional blend of luxury and comfort, the "Ryker" model is perfect for entertaining. Enjoy the peace of mind provided by two high-efficiency AC units (one of the 4ton units replaced Aug 2026), electric roll-down screens, and hurricane shutters, alongside impact-resistant windows and doors throughout the home. Inside, you'll find tile and LVL flooring throughout, complemented by soaring high ceilings that enhance the airy, spacious feel. The attic is fully equipped with plywood flooring, offering plenty of storage space. For added convenience, gas connections are available for two future uses on the lanai (no tank onsite). A walk-in pantry, a generously sized laundry room, multiple walk in closets, and a saltwater pool with a heater and hot tub make daily living a breeze. This has been a one owner, smoke free home.
