Description

Build Your Dream Waterfront Home in Tropical Gulf Acres! Discover the opportunity to own a waterfront homesite in the rapidly growing community of Tropical Gulf Acres, just south of Punta Gorda. Conveniently located only minutes from US-41 (Tamiami Trail) and approximately 10 minutes from shopping, dining, and Publix, this property offers both privacy and accessibility. Zoned for residential use, the lot allows for the construction of a detached single-family home or modular home (mobile homes and temporary trailers are not permitted). Enjoy peaceful waterfront views with direct access to Crescent Lake right from your backyard, creating the perfect setting for kayaking, fishing, or simply relaxing. With continued growth and development throughout the area, this is an excellent opportunity to build your custom Southwest Florida home or invest in one of the region's emerging neighborhoods. Don't miss your chance to own a piece of Florida waterfront living.
