Description

Discover exceptional luxury living in Lucarno, Mediterra’s picturesque garden and lakefront neighborhood reminiscent of a European village. This beautifully appointed Belita villa offers 3,738 square feet of living space, with three bedrooms plus a den and four baths. Built in 2015, this maintenance-free residence showcases elegant finishes, thoughtfully designed living spaces, and captivating lake views complemented by desirable southeast rear exposure. The gourmet kitchen features a freestanding island with breakfast bar, adjoining café, home office, and walk-in pantry. Expansive sliding glass doors seamlessly connect the interior to the outdoor living area, where an infinity-edge pool and spa, dramatic fire bowls, and beautifully landscaped parterre gardens create a private resort-inspired retreat. Upstairs, two private guest suites and a spacious loft complete with a wet bar create the perfect space for entertaining and hosting family and friends. Additional features include an attached two-car garage, detached single-car garage, and whole-house generator. The residence offers 5,308 total square feet, including covered living areas, and is offered furnished, with exclusions. Mediterra’s renowned club lifestyle features two Tom Fazio-designed championship golf courses, tennis, pickleball, fitness, exceptional dining, and a private Gulf-front Beach Club. A new Sports & Lifestyle Center is also under construction, with completion anticipated in 2027. A wonderful opportunity to experience the elegance, comfort, and exceptional lifestyle that make Mediterra one of

Southwest Florida’s most coveted communities.
