The guest bedroom provides comfortable space for visitors North exposure delivers consistent, soft natural light without the intensity southern units experience in Florida afternoons. The 13th green sits close enough to watch approach shots land and putts drop—golf course living where the game unfolds outside your windows rather than across a distant fairway. Bundled golf membership to Kipp Schulties' redesigned championship course. Bistro dining, resort-style pool, tennis, pickleball, fitness center—all included. First-floor accessibility with updated kitchen and 2024 AC—the practical updates already handled. Four miles to the beach. Fifteen minutes to 5th Avenue.
