Our featured courtyard home has a very unique and private layout! The well-designed floor plan wraps around the very private pool, spa and patio, making them the focal point of the home. The perfect design for entertaining or enjoying a relaxing day poolside, knowing you aren't going to be bothered! This home also offers a guest cabana that is separate from the main living area. Ideal for visiting guests, teenagers or in-laws wanting their own little private space. Some of the more notable upgrades of the home includes brand new pool pump motor (Oct '26), new roof and AC system in 2021, the pool heater and control panel were replaced in 2022. Along with other electrical work, it's also been wired to accommodate a generator. Come see this beautiful home! You won't be disappointed!
