Description

Experience the best of coastal living in this beautifully updated condo at Sand Caper, where breathtaking views of the lagoon and the Gulf create a serene and picturesque setting. From the comfort of your private lanai, you can watch stunning sunsets over the water—one of the many reasons this condo feels like your own personal backyard paradise. Inside, the unit has been extensively renovated with comfort and style in mind. Recent upgrades include a new air conditioning system, updated flooring throughout, new windows, doors, sliders, fresh interior paint, and modern cabinetry. The kitchen and laundry areas feature all new appliances, including the convenience of a private in-unit washer and dryer. The condo is offered fully furnished with stylish new furniture, dishes, bedding, towels, lanai furniture, and three televisions—making it truly move-in ready and perfect as a primary residence, vacation getaway, or investment property. Beyond the condo itself, residents enjoy the welcoming Sand Caper community, complete with poolside social activities, beautifully maintained landscaping, and new grilling areas ideal for outdoor gatherings. The location is also incredibly convenient. Shopping, restaurants, and everyday essentials are just a short walk across the street, allowing you to enjoy both peaceful waterfront living and easy access to everything you need. From the spectacular sunsets and peaceful lagoon views to the thoughtful upgrades and prime location, this Sand Caper condo offers a rare opportunity to own a slice of paradise on the Gulf

Coast.
