Description

Welcome to your dream luxury condo with direct, stunning vistas of the Gulf. You cannot beat this view. Sunset South is a low density complex with beach access, a resort style pool, and brand new landscaping. 5C is on the top level of the closest beachfront building and has its own garage space and storage. This unit has been completely redone from top to bottom. All new stainless steel appliances, luxury vinyl flooring, new windows, brand new electric hurricane shutters. New roof for the building. Expertly staged and furnishings are available for purchase separately.
