Description

This former model home is lightly lived-in and packed with designer upgrades. It features a spacious floor plan with three large bedrooms, a den, and three and a half baths. The home boasts custom window treatments and lighting throughout, with numerous upgrades that enhance style and comfort and peace of mind of impact-resistant windows and doors. In Tasori, an exclusive neighborhood of only 56 units and is just steps from Tasori/Hawthorne clubhouse, you'll enjoy access to a large community pool, hot tub, gym and barbecue area while also benefiting from full access to the award-winning Players Club & Spa with three resort-style pools, dining, huge fitness center, tennis, pickleball, spa services and a full time activities director .
