Description

Brand-New Construction with IMPACT Glass windows and doors and other exceptional upgrades on a Premier Lakefront lot! Introducing our CORAL floor plan, a spacious and thoughtfully designed two-story home featuring four bedrooms, three full baths, a den, and a versatile bonus room – perfect for a media room, office, or additional living space. With 2767 square feet under air, this home offers both style and functionality in a stunning lakefront setting. What sets this Coral apart is its rare two-story cinder block construction and impact glass windows, allowing enhanced durability and energy efficiency not commonly found in similar homes. Elegant upgrades include: 8-foot interior and exterior doors, granite countertops in kitchen and bathrooms, designer kitchen backsplash and under cabinet lighting, screened lanai and paver driveway and lanai as well. Plenty of space for a future pool! Located in one of Cape Coral’s premier gated communities, residents enjoy a full suite of amenities, including a fitness center, tennis and pickleball courts, and a playground for the kids. The completion date for this home is May 2026. Finishings may vary - images are representational only of the model home based in that community.
