Description

Experience the rare privilege of penthouse living in this exquisitely reimagined top-floor residence in The Sanctuary, one of Sanibel Island’s prestigious and private communities. From moment you arrive, an elegant elevator delivers you directly to your own entry, a stunning introduction to nearly 2,500 square feet of refined comfort and effortless luxury. Inside, the residence unfolds with a sense of sophistication and calm. Rich wood flooring and beautifully detailed ceilings, accented with tray designs and custom moldings, create a polished yet welcoming atmosphere. At the heart of the home, the completely redesigned kitchen is a showpiece and a gathering place. An expansive island with seating, a generous breakfast bar, sleek modern countertops, custom cabinetry and stainless steel appliances combined to create a space that is as functional as it is visually striking. Whether hosting guests or enjoying quiet mornings, the open-concept design transforms everyday moments into elevated experiences. The spacious living room is framed by sweeping, private views of the award-winning golf course, where lush fairways and mature landscaping provide a tranquil, ever-changing backdrop. This same serene vista extends into the oversized primary suite, offering a retreat with abundant closet space and a luxurious bath complete with dual vanities, a soaking tub and a large walk-in shower designed for relaxation. Thoughtfully designed, this residence lives with the scale and privacy of a single-family home while offering the ease and convenience of condominium ownership.

Just beyond your door, The Sanctuary’s exceptional amenities await, including championship golf, tennis, fitness and beautifully maintained grounds that reflect the natural elegance of Sanibel Island. And when the day calls for the beach, the island’s renowned sugar sand shoreline is only moments away, where gentle Gulf breezes and golden sunsets complete the experience. This is more than a home, it is a sophisticated island retreat in one of Sanibel’s desired settings.
