Description

Tahitian Shores single-family home in Fort Myers with 2 bedrooms, 2 full baths, 1,392 sq. ft. of living area, a 2-car garage, screened lanai, and a spacious .24-acre corner lot with room for a pool. Inside, the home features new flooring, new baseboards, new interior doors, tile and vinyl flooring, double-pane non-impact windows, a dedicated dining area, and an eat-in kitchen that connects easily to the screened lanai. The floor plan includes a family room and additional living areas that add flexibility for work, hobbies, fitness, media, or everyday use. The backyard offers mature tropical landscaping with macadamia, camphor, and garambola/star fruit trees, creating a shaded outdoor setting with space to design a future pool, spa, garden, or expanded outdoor living area. MLS fields show no HOA fee, approval requirement, or listed restrictions, adding practical ownership flexibility in a non-gated Fort Myers neighborhood. Convenient to the Sanibel and Fort Myers Beach corridors, Margaritaville Beach Resort, shopping, dining, and entertainment while still offering a quieter residential setting.
