Description

Inspired by a sophisticated Dutch West Indies design, this artfully constructed Park Shore residence will wow you the minute you enter the front door. Built in 2021, this home exudes quality, comfort and a peaceful ambience. Among the impressive decorative features throughout are a 24-foot soaring ceiling with whitewashed cedar beams, herringbone and wide plank French oak flooring, magnificent dream kitchen with all top-of-the-line appliances, including a double Bertazzoni oven, Fisher Paykel refrigerator, double waterfall Calcutta gold island, lime-washed stone backsplash and more. This open concept floor plan has a welcoming and expansive great room, four bedrooms, four full baths, two half baths, home office and second-floor game room. The outdoor area includes a lanai with summer kitchen, fireplace, large screen TV and oversized pool, all surrounded by lovely private and tropical landscaping. An outdoor spiral staircase leads to a second-floor sundeck for added outdoor enjoyment. Other features include a three-car garage, central vacuum system, Sonos music system, invisible dog fence and electric car charging station. The Park Shore community is a desirable neighborhood close to Venetian Village, Waterside Shops and a short distance to beautiful Naples beaches. Park Shore residents are eligible to join the Park Shore Association for private beach access.
