Description

Build your Florida home with a lake view in Riverbend Golf & Country Club. This 0.26-acre homesite at 15330 River Vista Dr sits in the Village of Indian Creek, a quiet North Fort Myers neighborhood inside an established golf community. Picture morning coffee on your lanai looking out over the water. The lot is approved for a single-family home, so you can design the layout, finishes and outdoor space you want instead of settling for someone else’s floor plan. There’s plenty of room for a pool, lanai and garage to take full advantage of the view. The HOA is just $350 a year, which keeps ownership costs low. Riverbend offers a relaxed setting with easy access to SR 31, I-75, Downtown Fort Myers and RSW. Lakefront lots at this price point don’t come up often. Bring your builder and start planning.
