Description

This property is located in very nice residential neighborhood. The property is partially cleared and there is a culver to access the property. It's at walking distance to a boat ramp also a very nice park with little beach area. The only little beach on Pine Island. In a close proximity to local restaurants and shopping. You can launch your boat or kayak and explore local waters. If you are a dog lover, we have dog parks nearby. Come and explore one of the nicest neighborhoods in Saint James City.
