Description

BUILD COMPLETE & MOVE-IN READY. Welcome to the Fairfield plan, offering approximately 1,650 sq ft of air-conditioned living space with a bright, open-concept layout featuring 4 bedrooms, 2 bathrooms, and a 2-car garage. The kitchen is designed for both function and style, featuring 36” shaker-style cabinets, a spacious 8’ wide island, and a Whirlpool dishwasher, microwave, and range, all opening seamlessly to the main living area—ideal for everyday living and entertaining. The living and dining areas are enhanced by tile-plank flooring and vaulted ceilings, creating an open and inviting atmosphere. The owner’s suite offers a private retreat with a double-sink vanity, separate water-closet room, linen closet, and walk-in closet. Three additional bedrooms provide flexibility for family, guests, or a home office and share a full bathroom. Additional highlights include impact-resistant windows, a brick paver driveway, and landscaping with irrigation. A thoughtfully designed home that’s ready to enjoy from day one.
